

*A Taste You Will Love,  
a Brand You Can Trust*

*Dear Store Manager,*

*I recently tried some of Choice Batter's new gluten-free and allergen friendly products. All of these products are great tasting and easy to use. Our entire family enjoyed them, even those without gluten sensitivities and food allergies. The baking mixes were so easy to prepare.*

*As a loyal customer, I'd appreciate you carrying the Choice Batter® family of products in your store.*
